## Supervised Play Plans Completed

W. D. Howard, Pahokee High School assistant coach, who will direct the Summer Recreation Program to be held here for school-age children June 16-July 25 under the sponsorship of the Board of Public Instruction of Palm Beach County, urges all children in the area who plan to take part in the program to register at the Pahokee city park on June 16.

Supervised recreational activities will be scheduled daily, Mondays through Fridays, through the six-weeks period. Swimming instruction will take place in the morning at the municipal pool from 8 to 11 o'clock and tennis instruction, on the municipal courts in the afternoons from 2:15 to 3:15 o'clock. Children of all ages are invited to enroll in these swimming and tennis classes, Mr. Howard said.

Softball leagues will be organized for the "mites" (children under 10 years), juniors (10 to 13 years) and seniors (14 to 17 years).

Other forms of recreation being planned are table tennis, volleyball, croquet, horseshoes, basketball free throws, tumbling, dart games, relay races, clock golf and numerous playground games.

On Thursday afternoons from 1:15 to 5:15 o'clock Miss Eula Mae Snyder will conduct a class in library and story telling and perhaps show motion pictures.

Under present plans the Summer Recreation Program here will end with a playground, tennis, field and track meet, according to Mr. Howard.

## FFA Quartet Wins 1st State Contest

The Vocal Quartet of the Pahokee Chapter, Future Farmers of America, won first place in the State FFA Contest at the annual convention of the Florida Future Farmers of America in Daytona Beach Monday.

The Pahokee FFA Quartet is composed of Bobby Schroder, Charles McCurdy, Dick Atkins and Millard Stanley, all members of the Pahokee High School Class of 1952. This is the third consecutive time it has taken top honors in the State contest.

For placing first in the State contest the Quartet was awarded a free trip to the National Convention in Kansas City, Mo., next fall.

## Delinquent Tax Sale Scheduled June

Delinquent taxes in Palm Beach county for the year 1951 are being advertised this month in The Lake Worth Herald. In looking over the list we find many familiar names in Pahokee, Canal Point and Belle Glade. If you ignored the last tax bill you received from Tax Collector Stetson O. Sproul maybe you had better drop by The Everglades News office and see if your name is on the delinquent list. Properties will be sold on June 30 to pay the delinquent taxes. Just because you qualify for Homestead exemption is no sign you don't owe some taxes. Better investigate.

## New Theatre Will Open Tuesday Night

Tuesday night, June 17th, will be the beginning of a new type of entertainment for the Glades Area—Movies under the stars.

The Lake Drive-In-Theatre located on the Pahokee Belle Glade Road will have its grand opening with the feature "The Wild North" starring Stewart Granger, Cyd Charisse, and Wendell Corey.

Although there will be a few minor items unfinished at the time of the opening, the management has announced that these will be completed as rapidly as possible. Some of the features offered at the Drive-In will be individual car speakers, each with its own volume control. There will also be available a free bottle warming service for patrons with babies. The snack bar will serve hot dogs, cold drinks, snowballs, popcorn, and ice cream.

Opening time has been set for 6:30 p. m.; however, due to the late hour of the sunset, the show will not start until 7:40 p. m.

## Co. Commissioner John Prince Dies

Honorary services will be held at 7:30 p. m. Friday at the Smith Funeral Home Chapel, Lake Worth, for John Prince, Palm Beach County pioneer and veteran County Commissioner, who died unexpectedly at 7:45 a. m. Wednesday at a West Palm Beach hospital.

Mass will be said at 10 a. m. Saturday at Sacred Heart Catholic Church, Lake Worth, of which Mr. Prince was a member, and burial will be in Pinecrest Cemetery.

Active pallbearers will be from the ranks of the membership of Carl Vogel-Donald Lee Post, American Legion, Lake Worth. These, together with honorary pallbearers will be announced today, according to Tom G. Smith of the funeral home.

Mr. Prince, who was 59, had been ill for a few days with virus flu and had been confined to his home on High Ridge Road, Lantana, but when he became worse Tuesday, he was removed to the hospital, where he suffered a stroke on the right side. An emergency brain operation was performed Tuesday night, but Mr. Prince never rallied, according to County Commissioner Lake Lytal, West Palm Beach.

## Loftcoop Picnic

Officers, members and the personnel of the Lake Okechobee Farmers Cooperative and their families, together with invited guests, enjoyed the annual "end-of-the-season" LOFC barbecue and picnic on Wednesday afternoon of this week. The picnic spot selected for the festive occasion was the old Kautz dairy farm north of the St. Lucie Canal.

## Dr. Lair Stricken

Dr. W. H. Lair, Pahokee pioneer settler, suffered a cerebral hemorrhage around 10 p. m. Monday and was taken to the Everglades Memorial Hospital where he is receiving treatment and his condition is reported to be critical. Dr. Lair is 82 years old.

## Definite Rules To Govern Hospital

A special committee to formulate policies for the future operation of the Everglades Memorial Hospital was appointed at a meeting of the Northwestern Palm Beach County Public Hospital Board in the hospital offices Tuesday night.

Albert Fremd, board chairman, who presided at the meeting, named on the policy committee Mrs. Robert J. Schroder, chairman, C. A. Batchelor and M. P. Stanley, all members of the board; T. C. Richardson, hospital superintendent; Mrs. Virginia Barber, head nurse, and Dr. E. C. Johnson, representing the hospital physicians. The rapid increase in the hospital's services and business was given as the cause of the need for the change on policies.

The board passed a resolution recommending to Governor Fuller Warren that Chester A. Batchelor be re-appointed a member of the board for another three years when his term of office expires this month.

It was voted to place all old hospital accounts, overdue 12 months or longer, in the hands of a hospital collection agency. Mrs. Barber, treasurer, was authorized to appoint a nurse supervisor for each of three working shifts at the hospital.

The constitution and by-laws of the newly organized Everglades Memorial Hospital Auxiliary, presented for approval at the meeting by Mrs. Clyde A. Canipe, was accepted by the board.

Board members granted Mrs. Barber, head of the nursing staff, permission to appoint three supervising nurses for the three shifts at the hospital. Mrs. Barber named Mrs. L. L. Horne on the shift from 7 a. m. to 3 p. m., M. T. C. Richardson from 3 to 11 p. m. and Mrs. Thelma Bell 11 p. m. to 7 a. m. Each was granted a \$10-a-month raise.

Members voted to grant permission to T. C. Richardson, superintendent, to hire his wife, Mrs. Laura Richardson, on the nursing staff.

## Lights Assured For One More Year

The Canal Point Lions Club has successfully completed its campaign to collect \$474 to cover the cost of operating the street lights in the Canal Point community for the next 12 months, according to a report given by Delmar L. Hooks, a member of the fund-raising committee, at the regular district meeting of the club Monday night. The original installation of street lights in Canal Point was a Lions Club project and in addition, the club has assumed the responsibility of collecting sufficient funds from Canal Point residents to cover yearly operation costs.

Alton Jones, program chairman, introduced Miss Patsy Maxson who had just completed her first year at Florida Southern College, Lakeland, and had arrived in Canal Point to spend the summer vacation with her parents, Mr. and Mrs. Earl Maxson. Miss Maxson played several selections on the piano. Floyd Erickson, retiring president, presided.

## Summer Music Program Officially Opens June 16

### Smyly Is Speaker For Pahokee Lions

The Rev. C. J. Smyly, pastor of the Canal Point Baptist Church, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. The subject of his talk was "The Child." Reppard Cowart was in charge of the program.

Introduced as luncheon guests were R. D. (Dick) Hill of West Palm Beach, FFL executive; Lamar Allen of the Palm Beach County Resources Development Board; C. Hays, new manager of the West Palm Beach Chamber of Commerce; Alys M. Okie, the new publisher of the Pahokee News, and Jane L. Reiker, the new editor.

## 17,000 Cars Shipped From This Section

One of the most productive years in the history of Everglades agriculture and cattle has been marked up this season, it was reported this week by H. L. Speer, assistant county agent.

In his report to the county commission, the agent said that some 17,000 car loads of vegetables had been shipped from the Glades this year—about a 1,000 car increase over the record set last year.

With the exception of a few cars of celery and sweet corn, yet to be harvested, the vegetable season has ended, Speer said.

Production by the U. S. Sugar Corporation and the Okelanta Sugar Corp this year will exceed all previous records, Speer said. He looks for a greater increase in production next year, with the sale of the Okelanta Plant to Cuban interests who expect to increase their cane farms by several thousand acres.

On the cattle front, Speer reported that 2 million worth of cattle had been sold at the Belle Glade auction market this past year.

## Gaulden Harrington Hurt In Car Wreck

Gaulden Harrington of Canal Point suffered severe bruises in a car accident in front of the Travelers Restaurant on SR 15 between Pahokee and Canal Point around 6:30 p. m. Sunday.

Harrington, driving north in a '49 Ford coupe, was starting to make a left turn when his car was hit by a '47 Buick sedan heading south, with Carl J. Rowland of Miami at the wheel.

Mrs. Rowland was shaken up in the accident and was taken with Harrington to the Everglades Memorial Hospital for a checkup but was dismissed immediately. Rowland and two other woman passengers in the Buick were not hurt.

Damage to each car was estimated at \$500 by Police Chief Leon Guthrie who investigated.

The Palm Beach County Summer Music Program, sponsored by the Palm Beach County Board of Public Instruction will officially open on June 16 and close on July 25.

Instruction on band instruments will be given at the Pahokee High School Band Building for six weeks, daily, Monday through Friday. Individual and ensemble instruction will be given during the hours of 8 to 10 a. m. and 1 to 5 p. m., Monday through Friday, while the summer program is in progress. Beginners classes will meet from 10 a. m. to 12 noon on Monday, Wednesday and Fridays. Regular band members classes will meet from 10 a. m. to 12 noon on Tuesdays and Thursdays.

Registration for all groups, from beginners to 12 grade band members, will be held Monday, June 16, from 8 a. m. to 12 noon. However, late registrations will be accepted at any time for those who might be unable to register at the regular time Monday, June 16.

All band members are urged to register for the summer classes even though they plan to be away part of the time.

Since there is no charge for the instruction, this summer work affords the beginner an excellent opportunity to check his qualifications for later band membership. There are a few school-owned instruments still available for beginners.

Bandmaster Robert O. Lampl, who will be the instructor in the summer classes, reports there are many vacancies left by graduation that need to be filled in the band, and he urges all youngsters from the sixth grade up who are even remotely interested in getting into the band to register and inquire about the Summer Band Program.

Anyone having a band instrument hidden back in a closet or attic is urged to contact Mr. Lampl to see what can be done about making that instrument available to some youngster, either by purchase or as a gift to the Band. Many more instruments than the Band now has available are sure to be needed in the summer program.

Remember Registration Day—Monday, June 16, from 8 a. m. to 12 noon.

## Funeral Services For Mrs. Nobles

Funeral services will be held Saturday morning at 10 a. m. at the Canal Point Missionary Baptist church for Mrs. George Nobles, 30, who died at Everglades Memorial Hospital Wednesday afternoon. Mrs. Nobles had been seriously ill for many weeks.

Plans call for interment to be made in Tampa.

Immediate survivors include the husband and seven children.

Mr. and Mrs. Robert Hatton and children are leaving today to spend a month's vacation with relatives in Onida, Ky., and her mother, Mrs. G. M. Black, and other relatives in Chicago, Ill.

### 25 YEARS AGO

T. J. Fountain of Indiantown has left at the Canal Point drug store a stone ax he dug from the ground near Big Mound. It seemed to be of sandstone but when the surface was scratched the ax was found to be of flint. Big Mound is ten miles east of Canal Point. It is believed to have been built by the Indians as a place of refuge during high water.

Tuesday, afternoon, the Pahokee Woman's club house was the scene of a most delightful and interesting shower, given in honor of Miss Vena Mae Tiffin, who has just announced her engagement to Robert Schroder. The four hostesses of the occasion were Misses Lola Elliott, Hilda Lee, Lorraine Elliott and Margaret York. The house was artistically decorated, the color scheme being pink and blue, with tiny vases of pink petunias placed. Chairs were arranged for the guests in a semi-circle around the place of honor in which the bride-elect was seated. Nearby stood a lovely little blue and pink table, on which each guest, as she entered placed a dainty and equally mysterious parcel. On the same table was a miniature autograph album tied with pink and blue ribbon, in which each guest wrote a

bit of advice for the bride-to-be. A short program was rendered as follows: popular music, Misses Margaret York and Susie Maxwell. Reading, "What Vena Says," Miss Margaret York. Vocal Solo, "Loves Old Sweet Song," Miss Sadie Cochran. Reading, "My Matrimonial Views," Miss Hazel Elliott. Violin and piano duet, "Cantilena," Misses Maxwell and York. A question contest.

Misses Hilda Lee and Lola Elliott presented the numerous gifts, immediately after which Miss Tiffin read aloud the contents of her album. Refreshments, consisting of delicious salad and ice courses were served by Misses Lorraine Elliott and Margaret York. Little Miss Hannah York bestowed the favors, amusing fortunes in tiny pink and blue ossebud baskets, a via wagonette.

Mr. and Mrs. Thomas Hunter came to Pahokee from Fort Lauderdale last week. They will be here for a short time, after which they will return for a while to Fort Lauderdale.

Mr. and Mrs. J. R. Poland and daughter, Mrs. Gladys Spangler, spent the week end on the west coast.

Mr. and Mrs. Ernest Cecil of Palmetto, former residents of Pahokee, visited here the first part of the week. Tuesday night a host of friends gathered at the home of Mr. and Mrs. O. B. McClure where they enjoyed singing and visiting. Several delightful selections were rendered by a male quartet, Mr. Cecil acting as leader.

Mr. and Mrs. Plummer and daughter, June, who have been rooming at the home of Mrs. Everingham, left for Georgia last week.

A. J. Reese and family of Winter Haven spent the week end with his niece, Mrs. James Maxwell and family.

Miss Rose Huffman, sister of Mrs. O. B. McClure, went to Bradenton to visit a friend, Mrs. Clara Dickinson with Mr. and Mrs. Ernest Cecil.

Mrs. Martin Pederson and children spent the week end with her brother, Axel Jensen.

Charlie Moran went to his old home in Chattanooga, Tenn., for a few weeks.

Prof. J. R. York and family leave Thursday for Gainesville, where the professor and wife expect to attend summer school.

Mrs. Alice Padgett is visiting in West Palm Beach for a few days. She expects to move into the house of C. A. Shive, which she has purchased.

Prof. H. L. Speer went to Jacksonville Tuesday and returned Thursday.

Henry Hamlin, who had spent several days in West Palm Beach returned to Rittia Island Monday.

Mr. and Mrs. Fred J. Taylor and children, and Mrs. W. H. Vann leave today for New York state where they will spend the summer.

## Farmers Markets In Florida Are Praised

WINTER HAVEN—Florida can point with pride to her splendid system of State Farmers' Markets, state William L. Wilson, State Director. For many years the Florida Market System has been the model for other states.

Much credit is due Nathan Mayo, Commissioner of Agriculture for his foresight in establishing the market system years ago and giving the farmers and growers of this state a market for their produce.

Mayo must also be credited with his good judgment in selecting William L. Wilson to direct the effort for he could not have found a more able or conscientious man. Florida is fortunate indeed that her great, ever expanding State Farmers' Market System has remained free of politics and geared to the service of the farmer, grower and cattleman.

## McCarty Vacations In North Carolina

TALLAHASSEE—Dan McCarty our new Governor-to-be, is apt to find himself working full time for the Sunshine State a full six months prior to the time he draws his first pay check, Feb. 6, 1953. Most other governors have.

McCarty took his family to North Carolina last week for a vacation and rest from the hot campaign in which he won the Democratic nomination in the second primary after a drag-out fight by his opponent, Brailley Odham. He left behind him piles of telegrams and letters that came in since his victory and he plans to answer them all when he returns.

McCarty's first job is to set up an office force to help him with his preinaugural business of getting acquainted with the job ahead. He also must go through the formality of defeating his Republican opponent, Harry Swan, in the general election of November.

The new governor says he isn't going to do anything about choosing his appointees to major offices until after the November election. He says the jobs will seek the people and they will go to able men and women who will be just as honest when their tasks are completed four years hence.

## Stork Shower For Mrs. E. C. Johnson

Mrs. Milton Carpenter and Mrs. O. D. Carpenter are entertaining at the latter's home on Canal Point Road this Friday evening with a party and stork shower in compliment to Mrs. E. C. Johnson.

The hostesses are using a color scheme of pink and blue in party decorations and will serve punch and cake as refreshments. Games and contests are on the program of entertainment. Approximately 35 guests have been invited.

Over a thousand magazines have used pictures of Cypress Gardens on their covers at one time or another throughout the past several years.

## FFA Group At Meet

The Pahokee Chapter, Future Farmers of America, was represented at the State FFA Convention in Daytona Beach this week by James Usher and Robert DeLoach, official delegates. Alfred Meeks, president of the Pahokee Chapter and vice president of the State FFA organization, was also present at the convention as well as the Pahokee FFA Quartet, which won the State championship, and R. L. Brooks, chapter advisor.

Sonny Johnson, student at the State School for the Deaf and the Blind in St. Augustine, is spending his summer vacation with his parents, Mr. and Mrs. George Johnson, in Pahokee.

Warrant Officer Joe Davis, who recently visited his family in Pahokee before reporting at a West Coast base for overseas duty, is now in Korea, according to word received by his family.

## "Good Neighbor Policy"

Remember one time when I told about the old loose-stone wall that separated Easy Roberts' property from Handy Peterson's?

That was when they decided they really didn't need the wall between them in the first place — so they simply stopped repairing it.

Now I hear where a fellow, who bought the old Johnson place, wants to buy all those stones. It seems he figures a stone wall is just what's needed on his property.

From where I sit, if that fellow wants to build himself a stone wall,

that's his business. But if it's no really serving any useful purpose he may sooner or later discover — just like Handy and Easy did — that he'd be just as well off without yne. Even some old-fashioned walls of prejudice are disappearing — like those that would deny a person's right to a friendly glass of beer now and then. Most Americans are learning that "walls" can get in the way of the persons inside as well as the persons outside.

**Do you have Series E Defense Bonds coming due this year?**

# Here's a money-earning opportunity for you

**Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!**

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1962. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

## Defense is your job, too!

**T**HIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

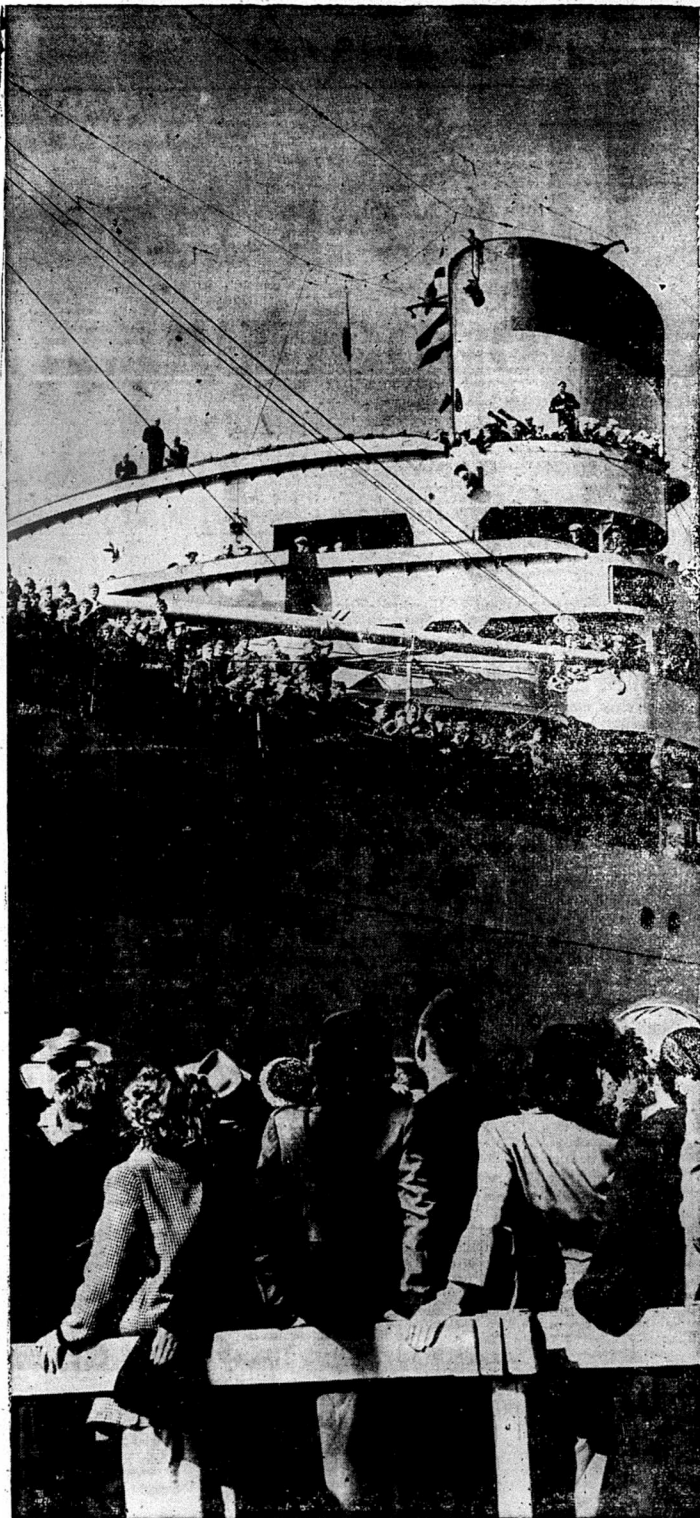

### The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

## MAGNOLIA BLOSSOM TIME AT RAINBOW SPRINGS

"It's magnolia blossom time at Rainbow Springs," says lovely Peggy Rankin as she picks two giant-sized corsages. Some of the largest magnolia trees in America are found at Rainbow Springs and with hundreds of these trees now in full bloom, the wooded grounds of this famed attraction are a mass of shimmering beauty. Many of the fragrant, waxy blossoms measure almost a foot in diameter and when combined with a cluster of the brilliant green leaves, a single bloom makes an exotic centerpiece for a luncheon. Located on US 41 at Dunnellon, Rainbow Springs with its rolling uplands, its alpine lodge, and spectacular waterfall has been named "Florida's Only Mountain Resort."

## Miss Mary Helen Hooks Weds Robert C. Harris

Miss Mary Helen Hooks, daughter of Mr. and Mrs. Delmar L. Hooks of Canal Point, became the bride of Robert C. Harris, son of Mrs. J. C. Harris of West Palm Beach, at a single ring ceremony held in the Pahokee First Methodist Church Sunday evening.

The couple repeated the vows after the Rev. James R. Roy, pastor of the Canal Point Methodist Church, as they stood before the altar which was decorated with floor baskets of pink gladioli and blue tuberose and lighted by white cathedral tapers in branched candelabra. A bank of potted palms formed a background for the wedding scene. The pews were marked by blue satin bows.

The program of nuptial music preceding the ceremony was presented by Mrs. Robert Frederick Freund, organist, of Palm Beach and Mr. Freund, vocalist.

The bride, given in marriage by her father, wore a gown of Alencon lace and satin with full satin skirt, trimmed with inserts of the lace, extending to a long train in the back. The lace bodice was fashioned with high neckline and long sleeves pointed at the wrist. The lace cap which caught her fingertip veil was trimmed with tiny lace butterflies outlined with seed pearls. She carried a white prayer book centered with eucharist lilies and showered with tube roses and satin ribbons.

Miss Betty Jo Brooker, maid of honor, of Richmond, Va., and Pahokee wore pastel blue eyelet embroidery with fitted bodice and hoop skirt. Her headband was a halo of pink nylon and tuberose.

She carried a nosegay of pink chrysanthemums.

The Misses Betty Jean Horne, Fort Lauderdale, and Ann Bass Belle Glade, cousins of the bride, were bridesmaids and Mrs. Gus Peeples of West Palm Beach was bride's matron. Each wore pink eyelet embroidery gowns, fashioned along identical lines with that of the maid of honor, and carried nosegays of blue chrysanthemums. Little Cecelia Enfinger, flower girl, was in pink nylon with a headband of sweetheart roses.

Charles Harris was his brother's best man. Richard Harris, another brother, J. J. Carter, Jr., and Gus Peeples, all of West Palm Beach, served as ushers.

For her daughter's wedding Mrs. Hooks chose pink sheer nylon with white accessories and a blue carnation corsage. Mrs. Harris, the bridegroom's mother, wore an ice blue dress with a pink carnation corsage.

At the reception which followed the ceremony at the home of Mr. and Mrs. George Arceneaux, with Mr. and Mrs. Hooks as hosts, Miss Anne Brandes was in charge, of the bride's book. Miss Dot Derrington served portions of the wedding cake and the Misses Rita Faye Hurt and Gloria Stuart presided at the punch bowl.

The bride changed to a pink linen ensemble with rhinestone and pearls for the wedding trip to Key West and Cuba, following which Mr. and Mrs. Harris will make their home in West Palm Beach where he is associated with his brothers in the J. C. Harris Company.

## Christian Science Group Of Canal Point

The ever availability of God's protecting and saving power is the keynote of Christian Science services next Sunday. Subject of the Lesson-Sermon is: "GOD THE PRESERVER OF MAN."

The Golden Text is from the 91st Psalm (1): "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty."

Citations from the Bible include: "The patriarchs, moved with envy, sold Joseph into Egypt; but God was with him, And delivered him out of all his afflictions, and gave him favour and wisdom in the sight of Pharaoh king of Egypt" (Acts 7:9, 10).

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "All things work together for good to them that love God; is the dictum of Scripture . . . Him find that 'God is our refuge and strength, a very present help in trouble' " p. 444).

One trip of 100 miles over bad roads can do more damage to a car than 10,000 miles over good roads. One mile of well built, smooth highway, even though it may cost more to construct, represents a saving in wear and tear and repair bills for the motorist. Insist on the construction of better roads.

The St. Joe Paper Co., facing a growing need for an adequate water supply, is digging an 18-mile canal from the Chipola River to its Port St. Joe plant at an approximate cost of \$2,000,000.

## Increase Fees On Fish Being Netted

The State Game and Fresh Water Fish Commission voted Monday to double the inspection fees charged for fish netted under its controversial control—seining program in various fresh water lakes of Florida.

The fees were raised in order to meet the costs of the experimental program which has been halted in Lake Harris and Eustis in Lake counties by court order.

Seining is underway, however, in Lake Reedy and will be started in Lakes Okeechobee, George and Crescent on July 1.

The fee paid to the commission for bream and crappie was increased from 2 to 4 cents a pound, and the fee for catfish was raised from 1 to 2 cents a pound. Chief fisheries Biologist John F. DeQuine, who recommended the increase, said the original fee would produce only \$132,000 a year while the program will cost the commission about \$267,000.

Meanwhile, the program is being tested in the state Supreme court.

Mrs. E. C. Watson entertained at her home recently with a party and stork shower honoring her sister-in-law, Mrs. Tom Davis. The hostess was assisted by Mrs. Eugene Reed and Mr. H. Collier.

David Ramey, who has completed his second year at the University of Florida, visited his parents, Mr. and Mrs. George Ramey, and sister, Miss Phoebe Ann Ramey, in Pahokee the past week before leaving Wednesday morning for Aiken, S. C., where he expects to be employed through the summer by the Dupont company as an engineer's assistant. He was accompanied by T. C. Pope, Jr., of Orlando, also a University of Florida student.

Mrs. M. I. Keen and Mrs. E. A. Jensen entertained recently with a farewell party honoring Mrs. John Sutterfield prior to her departure with Mr. Sutterfield for Lexington, Ky., where they will make their home. Refreshments were served by the hostesses to approximately 45 guests.

Mrs. R. W. Bowers has returned to Orlando after a visit here with her brother-in-law and sister, Dr. and Mrs. L. W. Armstrong. She was accompanied back home by her daughter, Miss Blanche E. Bowers, who was the house guest of her uncle and aunt while attending Pahokee High School the past year.

## Air Force Selects Canal Point As Base For Operation Of A Marine Crash Rescue Boat Detachment

With the arrival of an Air Force 40-foot crash rescue boat on Monday of this week, Canal Point became the base for operation of a Marine crash rescue boat detachment with headquarters at Peanut Island, West Palm Beach.

Capt. Frank L. Altman, Lincoln, Ill., is commanding officer of the Marine crash rescue squadron of Palm Beach International Airport. A senior pilot with 13 years experience Capt. Altman recently returned from three years duty in Alaska.

The primary duty of this detachment stationed at Canal Point will be to cover training operations of 2156th and 12th Air Rescue Squadrons of Palm Beach International Airport. These operations will include night and day practice water landings and parachute jumps into Lake Okechobee by personnel in training. In addition, the crash boat will be available for civilian rescue operations in the lake.

The crash rescue boat, especially designed for the air force, features a revolutionary method of retrieving injured survivors from the water. It is fitted with a hinged transom gate which opens into a self-bailing cockpit, making it possible to transfer casualties from the water to the dispensary with a minimum of handling. Propeller guards are fitted port and starboard as well as to the transom gate to permit maneuvering safely in proximity to swimmers or casualties during rescue operations.

Accompanying Captain Altman in bringing the rescue boat from Macdill Air Force Base, Tampa, to Canal Point were the following Airmen:

T-Sgt. Herbert H. Lawrence, Master, an Ex-Royal Canadian Air Force officer with 10 years military service in Alaska, Europe, India and Burma as Ship's Master and Pathfinder-Navigator.

Airmen Second Class Henry W. Uilson of Lakeland, Fla., Engineer, with 9 years service covering Korea, Panama, Japan, New Guinea and Australia. Airmen Uilson saw service as second engineer in 10,000 ton supply vessels.

Airmen First Class Vernon C. Crawford of Wateka, Ill., Seaman with 6 years service in the U. S. Navy and Air Force in the Atlantic and Pacific.

S-Sgt. Melvin D. Johnson of Tallahassee, Fla., Radio operator with 5 years service in Alaska, Puerto Rico and the South Pacific.

Joining the boat at Canal Point to make up the full crew were S-Sgt. Wayne A. Mellesmoen, Duluth, Minn., seaman who saw service with the Navy and Air Force in Africa and the Atlantic, and S-Sgt. James S. Blue of Southern Pines, N. C., Medical Attendant, who has served with the U. S. Army and Air Force in Japan.

facilities in the county.

In other actions, the commission:

Heard a report from State Attorney Phil O'Connell, that he expects to attend a week-long course to be given for prosecuting attorneys at Northwestern University, in August. The course, O'Connell said, is designed to teach the latest developments in law enforcement. The state attorney said that upon his return he would give course of instruction to law enforcement agencies throughout the county. He asked the commission to help defray the cost of the trip.

Received a letter from Dan McCarty, Democratic governor nominee, expressing McCarty's appreciation for congratulatory telegram sent to him by the commission following the second primary.

Received millage certifications from the South Florida Conservancy District; the Palm Beaches Sanitary District; Everglades Drainage District; East Beach Water Control District; Pahokee Drainage District; East Shore Drainage District and the Pelican Lake Sub-Drainage District.

Voted to meet as a board of equalization in July. Heard that work had started on a new building to house the county's voting machines and that work was also underway for grading the new site of a county children's home on 45th Street.

### Bryant Memorial Club Has Meeting

The Bryant Memorial Club of Bryant, Fla., observed National "Better Family Life Week." Their first program began with the club attending services as a body, at the Mt. Moreau Baptist Church on Sunday May 11, 1952. The president, Mrs. Ada Moore rendering the main address, entitled "Better Family Life."

Many points of interest were brought out by her and was well received by all who were there. The pastor spoke on the same topic, noting many values derived from "Better Family Life."

On Wednesday the club met at the club house at Bryant, where several quarts of vegetables were canned. These were distributed among the needy in the village.

Thursday, they met at Canal Point Project and many quarts of beans, and tomatoes were canned and distributed among the needy there.

Friday, the club was host at a party for the tots of the village. Many games were played, after which refreshments of beautiful cakes and ice cream were served. All enjoyed themselves immensely.

Mrs. Ada Moore, President, Mrs. Ethel Banks, Secretary, Mrs. Pinkney, Treasurer.

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Further Improvements of Boles Canal Road in the Everglades were approved this week at the suggestion of County Commissioner Paul Rardin.

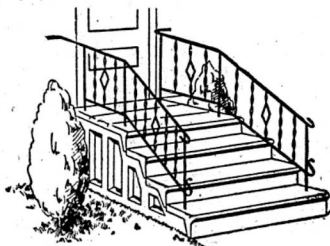

The Canal Point commissioner made this suggestion to the board after hearing a report from County Engineer J. M. Boyd that a section of the road needed to be raised several inches in elevation—a job that would cost about \$3,800. The road is now under construction at a bid price of \$31,000.00. The commission oked the expenditure at Rardin's request.

In another action headed by Rardin, the commission sent an official reprimand to County Registrar DeWitt Upthegrove, warning him of over expenditures in his operating budget. Rardin said that

the last report showed the registrar to be overspent by about \$3,900.

In following up action initiated sometime ago between the county and the U. S. Engineers real estate section, the board voted to execute a deed transferring International Airport back to the government with the exception of a triangular plot of land on the south side of the field which is being reserved by the county as a site for construction of a commercial airlines terminal.

Following up on a suggestion by the Palm Beach County Medical Society, the board voted to investigate the possibility of securing state or federal aid to conduct a survey to determine what, if any, is the need for additional hospital

## Cites Great Need Of Modern Highways

ORLANDO—Complimenting the Orlando Morning Sentinel on its common sense approach to Florida's road building problem, S. L. Kilgore writes:

"Anyone who studies the road needs of Florida will readily realize that it would require the total revenue of the state road department for five years at least to provide the road from Jacksonville to Miami alone and this road is a must, so how are we ever to build the roads we must have and pay for them on the 'pay as you go' method.

"The time has come when we must have toll roads or must borrow some money as has been suggested, and pay it back over a long period of time, as we will never have enough current income to do the job that must be done.

"Last year 37,500 men, women and children lost their lives in automobile accidents and a large percentage of them would still be alive if our highways were adequate to meet our traffic needs.

"Last year, according to Mr. Harvey Firestone, Jr., the economic loss from traffic accidents totaled more than three and a half billion dollars. This is more than was spent on the entire road system of the nation.

"Twenty-five years ago there only twenty million motor vehicles, today there are nearly fifty-two million.

"It is estimated that \$45 billion is needed to get this nation's highways into top-notch shape. About \$2.5 billion is being spent this year, and while this is for the nation as a whole, Florida's need is much greater than the average and this must be recognized.

"It is time for some statesmanship to be employed in the matter of our road program by those responsible."

## Farewell Party Held For The Todds

The Rev. Ralph W. Todd, who has served as pastor of the Pahokee First Methodist Church for the past three years, was transferred to the Swain Memorial Church in Jacksonville at the annual Methodist Conference in Lakeland last weekend. He is being replaced at the Pahokee church by the Rev. R. A. Guy, formerly of Jacksonville.

On Wednesday night of this week, prior to the midweek prayer service, a covered-dish supper and farewell party honoring the Rev. and Mrs. Todd and family was held in the social room of the church. Mrs. H. J. Anderson, WSCS hospitality chairman and the Margery Lair Circle members were in charge of arrangements.

## State Fair Plans Made For 1953

TAMPA—At the annual meeting of the Florida State Fair and Gasparilla Carnival Association, W. Howard Frankland was elected second vice-president to succeed Frank Gannon of the Tampa Electric Company, who asked to be relieved of the duties because of ill health. All other officers were re-elected as follows: Carl Brorien, President; Edgar Wall, Chairman of the Board; George M. Holtsinger, first vice-president; E. P. Tallafiero, Treasurer; and Russell Kay, corporate secretary.

Committee reported on the progress being made toward the 1953 Florida State Fair and all indications point to another outstanding show. P. T. Streider was named General Manager and J. C. Huskinson, assistant manager and executive secretary.

First shipment from Ross Allen's bring-em-back-alive tour of Latin America recently arrived. It included 102 king-sized toads and two irritable crocodiles from the wilds of Jamaica.

## Sugar Company Has Successful Season

CLEWISTON — While the harvest season is over, work goes on at the plantations of the United States Sugar Corporation as machinery and equipment are overhauled, new cane is tended and routine operations continue to insure Florida another record-breaking cane harvest next year.

The U. S. Sugar Corporation is

Florida's largest agricultural industry, employing thousands of people and contributing millions of dollars to the state's economy.

Although the giant sugar season is closed to the public at this season of the year, the Clewiston Inn, finest small hotel in the South, is open the year around and has recently been air-conditioned. Summer travelers will find Clewiston a convenient stop on their way to Miami or the lower East Coast.

## MANGO FORUM

The Florida Mango Forum will hold a two-day meeting at Lake Worth next month, it was announced this week. M. U. Mounts, county agent, said the meeting will be held on July 29-30 with the first day set aside for exhibits.

Mr. and Mrs. John A. Dulany had as guests Wednesday Mrs. Ventia Johnston and daughter of Fort Pierce.

## TRIM YOUR COSTS 3 WAYS WITH DODGE TRUCKS

"Dodge is by far the lowest cost to operate!"

... says  
JOHN S.  
SCOFIELD  
Scofield  
& Co.,  
Freeport,  
Illinois

"We keep complete individual records of each of our trucks and have found that Dodge is by far the lowest cost to operate. In fact, our Dodge costs us .6 of a cent less per ton-mile to operate than our next closest truck! This difference must be the result of Dodge's many economy features.

"Furthermore, we've found that our Dodge 'Job-Rated' truck will haul a full load of sand or gravel up hills that several of our other trucks won't take. Our next truck will be a Dodge."

- ▶ There's a Dodge truck that's "Job-Rated" to fit your job—½ ton through 4 tons.
- ▶ Every model "Job-Rated"—engineered to haul a specific load at low cost, to last longer, to save you money.
- ▶ Load-carrying and load-moving units engineered for proper strength and capacity under severe conditions.
- ▶ Ask us for a Show Down of Truck Value—be your own judge. We have all the facts!
- ▶ Come in today for a demonstration and a good deal.

- 1 Trim operating costs! You'll get the right "Job-Rated" engine with high compression ratio. Such proved Dodge features as four rings per piston, chrome-plated top ring, and wear- and heat-resistant valves save gas and oil!
- 2 Trim upkeep costs! You'll get a "Job-Rated" chassis that's built to stand the gaff on your most rugged jobs! Depend on features such as deep-channel frame and high-capacity springs to minimize repair bills and downtime!
- 3 Trim delivery costs! You'll make more deliveries per day—in less time. That's because it's so easy to wheel a Dodge truck in and out of tight spots—thanks to advantages like short turning diameters and easy steering.
